

BAR & CAFFETTERIA

OUR COFFEE

PAPPARE' BLEND

Pappare' exclusive Arabica blend from Central and South America; soft and delicate.

INDIA PARCHMENT

Canephora single origin from India, strong and full-bodied coffee suitable for recharging

ETIOPIA SIDAMO

single origin Arabica presents itself like a harmonious blend of aromas that includes hints of flowers, spices, dried fruit, honey and cocoa

PERGAMINO

single origin Arabica, medium fullness and elegant sweetness, marked aftertaste of cocoa and a vague hint of dried plum.

DECAFFEINATED

single origin Arabica from Mexico; decaffeinated following a natural water-based process, without additives.

EXTRACTION METHODS

CHEMEX:

for those looking for a long-lasting pleasure; extraction with filter, 20 gr of coffee powder for 250 ml; wonderful and full bodied taste, scented and aromatic drink.

V60:

for those looking for aromaticity; extraction with filter, 20 gr of coffee powder for 250 ml; unique character drink and mild acidity.

AMERICAN COFFEE:

perfect for brunch; extraction with filter, 24 gr of coffee for 300 ml; soft and light taste.

ESPRESSO:

the classic Italian coffee; extraction 14.5-15 gr of coffee powder for 25 ml.
