Dry beer with citrus and herbaceous hints given by the mix of English and American hops. The palate remains clean and ready to continue drinking.

Trhibu - 5.50

from Hibu Brewery, American Ipa beer with American hops.

Appreciated for its balanced and rounded body. A pleasant citrus and resinous "lash" thanks to the mix of hops that accompanies you to a long finish.

Dama bianca - 5.50

from Hibu Brewery, White Ipa beer, bitter orange peel and coriander.

Very balanced, elegant and pleasant. The fruity notes captured in the aroma return to the mouth sustained with a hint of spiciness reminiscent of white pepper. The finish is of medium persistence.
