food for mood

Pappare',
has got
an apostrophe
not an accent

PAPPARE' HAS GOT AN APOSTROPHE, NOT AN ACCENT:
BECAUSE WE WANT TO LEAVE THE IMAGINATION OPEN
IN ORDER TO COMPLETE OUR NAME.

Pappa Reale, Pappàre, Pappa e...:
We value your own interpretation of it.

Truncated words keep the imagination going, not
only the story-ending remains open to interpretations,
but also the the story-telling.

Here is Pappare': a box collecting your stories,
simply meeting at a table or while sharing good food,
coffee and drinks.

For our coffees and lattes
we use "PAPPARE' BLEND":
a 100% Arabic blend
Pappare' exclusive!

In addition to
espresso, try our
filter coffees
(V60, Chemex, BUNN -
the true Americano) or
cold infusion (cold brew)

Ask the staff about our
single origin coffees too!

Roastery, Pappare'_Emilia
